People Making A Difference

N.A.A.C.P. BRANCH

Our Past & Your Future

Since its inception the National Association for the Advancement of Colored People (NAACP) was poised for a long, tumultuous and rewarding history.

From the Ballot box to the classroom, the dedicated workers, organizers, and leaders who forged this great organization and maintain its status as a champion of social justice, fought long and hard to ensure the political, educational, social and economic equality of minority group citizens.

The history of the NAACP, is one of blood sweat and tears. However, it was the tenacity of NAACP members that saved lives and changed many negative aspects of American society. While much of its history is chronicled in books, articles, pamphlets and magazines, the true movement lies in the faces--black, white, yellow, red and brown--united to awaken the consciousness of a people, and a nation. This is the legacy of the NAACP!

Make A Difference

Today, we face a renewed effort to keep intact the hard-earned civil rights gains of the past three decades. But, with the support of the national staff, our local branches and volunteers; 2200 units covering all 50 states, the District of Columbia, Germany, Italy, Japan, and Korea; and more than 500,000 members, the new NAACP is stronger than ever!
